

Court Fees

The fees vary as they depend on the value of the claim and whether the claim is suitable for issuing using the courts online facility.

Claim amount		Court Fee	Online
Up to	£300.00	£35.00	£25.00
£300.01	- £500.00	£50.00	£35.00
£500.01	- £1,000.00	£70.00	£60.00
£1,000.01	- £1,500.00	£80.00	£70.00
£1,500.01	- £3,000.00	£115.00	£105.00
£3,000.01	- £5,000.00	£205.00	£185.00
£5,000.01	- £10,000.00	£455.00	£410.00

Hearing Fees

This fee is payable if and when the claim goes to a final hearing. Again the fees are on a sliding scale:

Claim amount		Fee
Up to	£300.00	£25.00
£300.01	- £500.00	£55.00
£500.01	- £1,000.00	£80.00
£1,000.01	- £1,500.00	£115.00
£1,500.01	- £3,000.00	£170.00
£3,000.01	or more	£335.00

So the total fees payable depend upon the claim value and the stage the claim reaches. For example if you are claiming £1,000 issued online, the total court fees would be £150.00 but for a £6,000 claim issued at court the fees would be £790.
